Dear Parents,

Welcome back to our existing families and to all families joining our school community this year. I hope you had a wonderful Christmas break and that your holidays were safe and happy. You were all in my thoughts as I hoped and prayed that all from the St. Jude's community were safe over the holidays with the devastating fires that have affected so many parts of our beautiful country.

Today was filled with so much excitement as children returned to school. I was reflecting on how quiet school is without the most important people - the children.
Today the place was alive with laughter, learning and fun.

We begin the year with our start-up program. For the next two weeks the focus in all classes will be building positive relationships and a clear understanding of our school wide expectations. Our three rights will be explicitly taught:

At St. Jude's everyone has the right to be treated with respect.
At St. Jude's everyone has the right to learn.
Everyone at St. Jude's has the right to feel safe.

Last year I encouraged all children to use their kind heart, this year this will continue to be our focus.

If you were at drop off or pick up today you may have noticed our new line markings around the school, these enable learning opportunities and of course promote new fun games. Over the holidays there was lots of work done around the school, this included painting, the line marking, the development of a colourful contemporary junior space and the development of our HUB. Our HUB will officially open mid way through next week. I am so excited about this space and will include information in our next newsletter which will be sent out on the 13th February.

I would like to welcome our new staff members Mrs. Jager our new Office Administration Officer (Bursar), Mr. Milan Greco (PE teacher and Student Wellbeing Leader), Ms. Emily Toigo (Prep T classroom teacher), Ms. Hannah Walker (3/4W classroom teacher) and Mr. William Sederino (Computer & Technology Teacher).

We have included information of upcoming dates to the left on this page and a copy of our new daily timetable.

I look forward to catching up with as many of you as possible in the coming weeks.

Yours Sincerely,

Marita O'Sullivan
