Dear Parents/Carers

It was great to have an assembly this morning with no current cases of COVID we feel that we can gather as a whole school community. Thanks to the parents who joined us this morning. Next term we plan to hold assemblies each fortnight on Thursday morning at 9.00am beginning on the 13th of September.

At assembly this morning we acknowledged R U OK day. The primary school resource focuses on the school setting. We used the day to remind students that we can all take action to look after our friends.

NAPLAN

On Friday Year 3 and 5 students will bring home their Naplan reports. They will be in sealed envelopes. I would like to remind parents that the Naplan tests are one evidence of data. Naplan is unable to measure all of what it is that makes your child the valued person they are. The people who created these tests and those that mark them don't know your child as well as their teachers, family and friends.

SOCIAL JUSTICE

For the remainder of this term we are collecting any unwanted warm jackets or vests in any size that are in good condition to donate to the John Paul College Community Companion Van. They are urgently needed for people in need.

BUILDING PROJECT

We have been busy preparing spaces in readiness for our junior school building. Our library has almost completed its move to the Senior area, the former kitchen has been carpeted in readiness for Year 2. Tomorrow modified shipping containers arrive for storage and garden supplies.

Builders are currently tendering for the project with it due to begin in early November. The Year 2's will move into their spaces in Week 3. If you've been at school this week you will have noticed the work on our main pathway which has opened the space up and allowed for more seating and play/learning spaces.

STAFF NEWS

Next week I am taking Long Service Leave. Darren Perry will be Acting Principal with support from our leadership team.

Thanks for your support this term and look forward to a fantastic Term 4.

Kind regards,

Marita O'Sullivan

Prime Minister's Spelling Bee

Over the past few weeks we have had 50 students in Years 3-6 who competed in the Prime Minister's Spelling Bee, an online competition where students compete across the school, state and nation by listening to a spoken word then typing in their answer.

Well done to our Year level champions

Year 3- Elizabella

Year 4-Wilhelmina

Year 5-Katherine

Year 6-Ryleigh

A special congratulations to Ryleigh who was not only the Year 6 winner, but also School Champion. Even bigger, Ryleigh qualified for the Victorian State Finals where she scored 27/30 words correctly. Ryleigh narrowly missed out on making the National Finals, we think being in the top 100 for your state is a pretty great achievement! Well done!

FOOTY COLOURS DAY

Footy Colours Day - Friday 16th September (Last Day of Term)

Next Friday 16th September is our Footy Colours Day to celebrate not only the end of term but our great sport of AFL. Students are invited to wear their favourite team colours for the day.

We will have a team parade in the hall to begin the day, a special Hot Dog lunch will be available via our Canteen Online Orders and we will have some special AFL themed activities during the day! We look forward to having a wonderful time.

Ciao!

In Italian this term, Seniors students enjoyed a cooking session making Pizzelle, Italian wafers. They learnt the Italian names of the ingredients and measurements and followed the recipe beautifully.

Some of the students' comments:-

It was fun making the pizzelle with my group.
I hope we can do it again.

The results were amazing and everyone got along and did their bit.

It was a fun cooking session of making Pizzelle and the Pizzelle was very yummy.

I really enjoyed it. My group had lots of fun and we made enough for half the class.

It was good and I understood what to do.

It was fun, very easy to understand the instructions and it was yum.

I liked it because I love to cook at home.

'The Imagineer'

by Christopher Chen & Lucia Masciullo

On Tuesday 6th September St.Jude's students watched a very entertaining show by an extremely talented and energetic performer, Tony Bones. Tony brought the story of 'The Imagineer' to life for everyone using the character puppet of Penny - the Imagineer. Tony himself cleverly played both dad and grandpa. He brought a very interesting, historical and imaginative narrative to the students with lots of humour, song, surprises and was able to keep everyone's focus throughout his performance. The company "Books to Life" lived up to its name bringing the story alive for the children. Staff and students. All had a very enjoyable morning and it was a great way to conclude our celebration of Book Week!

St Jude's Basketball Winter Season

Under 12 girls (10) v SSBC Storm (10)

What a way to end the season, a tie against the top team! Our girls gave their all on the court today against a team who thought they had the win in the bag. We almost had the win with seconds to spare, we were one point up when a controversial shooting foul was called on us. They got one in, resulting in the draw. The determination of our girls today was phenomenal. We have loved watching every single one of them improve over the season and look forward to seeing this continue next season. A big thanks to Fletcher and Oakley for scoring today and also to all the parents for getting their girls to the games and training, and helping out with scoring. Bring on next season 🏆 👏 🏀 😊 Gypsy 8, Hadley 2

U14 boys gold 36 vs skye sonics 24

Last game for the season and the boys put on a show! Their defence was fantastic and teamwork was awesome to watch. We say goodbye to Ollie B this season after 5 years. We will miss you buddy, you have grown so much in confidence and skill over the years. Thanks to Candice for scoring this week.

Thanks to Trav for giving up his time to coach our boys each week and Irene for being our team manager. We appreciate you! Mac 14, Cooper 8, Kai 6, Jaxon 6, Jack 2

Under 10 girls (13) vs Rowellyn Rockets (17)

What a great season the girls have had. From start to finish they have improved so much and I'm sure will continue to get better and better next season too. We are going to miss Isabelle, Lily and Charlotte next season so the girls will have to work on their shooting and defending over the holidays 😊

Couldn't quite get there today, all the girls played well and we had it on our terms and looked really good at times but we just ran out of time today. Next season I would like to suggest as a way to intensify our defence I want everyone to get 2 fouls for the game each! 🏀
The full list of 10 players makes it a bit hectic sorry if I was stressed on the bench working the rotations 😊

Thanks Annette for scoring and also all your advice over the season in the tense moments you've been a wealth of knowledge and experience!! Thanks again for a great season, girls see you all Wednesday!! Isabelle 11 Lila 2

U12 boys green vs Mt Eliza - Big Win for us!

I wasn't at the game and of course my child playing could not remember the actual score!! 😂😂 Big win for the Flames is what I'm told! And Paddy scored his first points for the season! Well done boys bring on Finals next week 😊 which I will definitely be at so correct scores will be posted 😊

U12 Boys (Gold)- 15 V Derinya- 39

Today's game was a hard loss for the flames.

It was one of the fastest paced games we have seen all season. Their passing and hustle was outstanding today. Well done boys, not the way we wanted to end the regular season but bring on the semis.

Thanks as always to our coach Rachel and Lane for scoring. Andre 6, Lincoln 2, Beau O 2, Thomas 3, Asher 2

U10 Boys (6) vs Mt Eliza (11)

Our last game of the season today and the score doesn't reflect it but today was the best I have seen the boys play! It was a really close game and the boys never gave up!

It's been a pleasure to be the team manager and watch these boys improve and bond as a team this season! It has actually been so awesome! A massive thank you to Coach Brent from all the boys and parents! The time and effort you have given the boys this season.. along with the Pokémon packs is just so generous and appreciated by all of us!!

So proud of you boys! Go Flames 🏆 Gilbert 6
